| [Additional Details](#) |

| ++ | All stated pricing is exclusive of ++ State Sales Tax & 20% Auto Gratuity.

Above headcounts are based on seated guests; the entire restaurant can hold up to 200 for a standing reception.

| Buyout Payment Policy | Check or cash required, however a Credit Card processing fee of 2.75% can be added to the event Total if this form of payment is requested.

| Something to note | Archetype does not charge a site fee, which really sets us apart in the Valley. Instead we have a Food & Beverage minimum, before any ++ Sales Tax and Gratuity is added. If you do not meet this minimum by the end of your event, you can purchase wine or gift cards to take with you, in order to fulfill the required amount. This way you are receiving something in return for every penny spent at Archetype, versus a site fee to purely rent the space. Pretty awesome, huh!?! |

| [Reservation Cancellation Policy](#) |

A Credit Card is required to hold a Large Party Reservation with a 48 Hour Cancellation Policy in place. The final guaranteed number of guests is due 7 business days prior to the event date. Should the final guarantee not be received 7 days prior, the original agree number or the actual number, whichever is greater, will be the basis for billing all charges. Archetype has a strict "No Show" policy; in the event of a missed reservation the Credit Card provided will be charged \$25.00 per person, for the entire reservation size.
